

North High Lights

By SHARON ANDREWS

A Junior couple was selected as the couple of the month for April. Nancy Taylor and Jerry Carothers prove to be the cutest couple on campus for this month. They have been going together for five months and were among the tops for King and Queen Sweetheart of the Sweethearts Ball.

The Junior class capitalized on the idea of always thinking you're "under the weather," when it presented the first arena type play in the history of North High School last week.

Dick Bybee played the part of the hypochondriac who always thought he was ill in "The Imaginary Invalid." Approximately two hundred dollars worth of costumes were rented from a Hollywood firm. Several of the costumes were used in the movie "Forever Amber." Mr. R. E. Van Tassel, was the faculty director of the production.

Dick Bybee was supported by Joy Bingham, Linda Harris, Vicki Garrod, and Art Newman.

Serra Receives Journalism Honor

The Serra High School Cavalier was chosen the most improved parochial school newspaper of 1959 at the thirty-fourth annual Newspaper Day of the University of Southern California. The award, presented by the Journalism School of the University of Southern California on Saturday, April 11, was accepted for Serra by the paper's associate Sports Editor Kurt Altenberg of Los Angeles.

The staff includes: Editor-in-chief Mike Sloan, Inglewood; first page editor Barry Carter of Los Angeles; Chuck Moffitt of Torrance, Editorials; Bill Tunilla of Hawthorne Sports; Mickey Little of Gardena, business manager; Brother Roger Richter, S. M. is faculty moderator of the Cavalier.

The play was such a tremendous success that they sold out for Friday night and had a special showing Saturday night.

Lucky's... Sensational.

EYESTRAIN

Is Often Caused by Ill-Fitting Frames

Poorly adjusted glasses frames are a leading cause of eyestrain, especially when eyes are used for close work. If you are conscious of rapid tiring when reading, drop in at our office the next time you are downtown. Let us straighten the frames of your glasses, align the lenses, and adjust the nosepieces without the slightest obligation on your part. It is unwise to suffer loss of eye comfort when a few minutes time can remedy the condition.

You are invited to consult us on ALL your optical needs—continuous vision glasses, blended lenses, TV glasses, sun glasses, the new plastic contact lenses.
